

THE SCORE CENTRE, LEYTON DROP-IN EXHIBITION, NOVEMBER 2016

Waltham Forest Council is working to redevelop the Score Centre site to provide new homes, indoor sports facilities, retail, commercial and community space and a new public square – at the heart of a new residential neighbourhood.

DROP-IN EXHIBITION

You are invited to a second drop-in exhibition to hear about the Council's emerging proposals for the Score Centre site, the next steps and how you can be involved. Members of the team will be on hand to explain plans and answer any questions.
